UK Official Says Abortion is a Human Right, Secretary General Endorses Report

NEW YORK, September 22nd (C_FAM) While world attention may be focused on the UN General Assembly as it grapples with Palestinian statehood, the methodical drive by United Nations Officials to promote legal abortion internationally goes on largely unnoticed. During the summer months, when press coverage of UN activities is minimal, the UN Secretariat released a report from the UN Human Rights Council calling on all nations to accept that women and girls must be granted access to legal abortion in order for them to fully enjoy their human rights.

LEGION OF MARY

For the past year a small group of faithful young Catholics have met together each week in St Peter's Presbytery as members of the Legion of Mary. The Legion meet to pray the Holy Rosary, have spiritual reading and direction and discuss the active work done by the members during the previous week. For the young members (18-35) meeting at St Peter's this active work has involved helping in the parish and going from door to door spreading information about the Faith and inviting people to Parish events. This Legion of Mary group, now welcomes more members. If you would be interested then please contact Fr Chris Fuse or Mr Fergal McClean. mccleanfergal@yahoo.co.uk
