RAINBOW OF HOPE

Rainbow of Hope seeks to help disadvantaged people by offering food hampers to individual and families in need. They open up a Minister Church every Thursday morning to asylum seekers who have the opportunity to hear the gospel and each receive a food parcel to take home. There are a large number of people going on a daily basis to their meeting room in town and these people too are grateful for whatever food they can get.

Rainbow of Hope have always relied heavily on food donations from individuals, churches and have also collected food by placing bins in various supermarkets. The supermarkets are now refusing to help and allow bins because preference is being given to a national food bank.

They are asking if parishioners would like to donate one item every month from the following list:-

Cooking Oil, Sugar, Tea Bags or Instant Coffee, Rice, Tins of Corned Beef or Ham, Tins of Sardines or Pilchards, Cartons of long life milk.

They will pick up any contributions from the church. If you are able to help please leave at the back of the church. Thank you
